

Interview Summary

Application No.
08/849,543

Applicant(s)
Cham

Examiner

O

Group Art Unit
3735

All participants (applicant, applicant's representative, PTO personnel):

(1) O

(3) _____

(2) Alan S. Nadel

(4) _____

Date of Interview Oct. 20, Nov. 10-12, 1998

Type: ☒ Telephonic ☐ Personal (copy is given to ☐ applicant ☐ applicant's representative).

Exhibit shown or demonstration conducted: ☐ Yes ☒ No. If yes, brief description:

Agreement ☒ was reached. ☐ was not reached.

Claim(s) discussed: 1 and 5

Identification of prior art discussed:

Cham (4,895,558)

Description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Applicant stated that making a discontinuous flow system from a known continuous system described in Cham was
patentably distinct. Examiner disagreed and stated that making a system simply discontinuous would not make the
application allowable over Cham considering the obviousness of the change. However, the Examiner and Applicant came
to an agreement that adding further limitations of mixing the delipidated fraction with an absorbent specific for the
extraction solvent and wherein the absorbent does not remove apolipoproteins from the delipidated fraction being returned
to the subject would make the claims read over the prior art of record.

(A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

1. ☒ It is not necessary for applicant to provide a separate record of the substance of the interview.

Unless the paragraph above has been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW. (See MPEP Section 713.04). If a response to the last Office action has already been filed, APPLICANT IS GIVEN ONE MONTH FROM THIS INTERVIEW DATE TO FILE A STATEMENT OF THE SUBSTANCE OF THE INTERVIEW.

2. ☐ Since the Examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action. Applicant is not relieved from providing a separate record of the interview unless box 1 above is also checked.

Examiner Note: You must sign and stamp this form unless it is an attachment to a signed Office action.
